ABOUT THE REGIONAL AIRFARE ZONE CAP

The Regional Airfare Zone Cap is a partnership between the State Government and the airline industry. It allows WA regional residents access to capped airfares for personal travel on eligible routes to and from Perth, subject to seat availability. The State Government has committed funding of up to \$19.8 million over three years to 2025 to five airlines operating on eligible regional air routes.

ELIGIBILITY

Zone Cap fares are **only for regional residents of WA**, living outside of the Perth and Peel regions. Zone Cap fares must be booked as a return fare that departs and returns to the same regional destination.
